

FAREWELL SPEECH BY SARANYA,12 E

Respected Trustees, Principal, Senior Vice Principal, Vice Principal, dear teachers, non –teaching staff and students. Good morning to all.

It is a privilege to give an acceptance speech in today's farewell party on behalf of class 12. We have come to the very end of our school journey, time really flies, doesn't it? Looking back, we have made amazing friends, made fond memories, experienced a lot of emotions and studied a little. All the 15 years that I and most of us spent in this school were truly blissful.

I would like to thank the management for giving us an extremely safe, smooth and memorable school life. I, on behalf of all the students express sincere gratitude to all the teachers who guided us and moulded our character, passion and personalities. They went through all the hardships daily and especially during the pandemic period to keep educating us seamlessly. They not only imparted subject knowledge but taught us values and life lessons to face the world.

I would like to extend my appreciation to all the didis and watchmen for being there whenever we needed them. Thank you to all the non-teaching staff for their incredible support. A big thank you to the kitchen staff for providing us tasty and healthy meals all these years. You will all agree that we will definitely miss our school lunch ,especially that Brinji-the reason why we never skip school on Fridays.

Finally thanks to all my friends and classmates for making beautiful memories with me, which I will cherish for the rest of my life. Just thinking about all the fun we had in our school trips like Pondicherry, Delhi, Yercaud and Industrial Visit warms my heart and fills my eyes with happy tears. The day of the yearly class cultural still remains fresh in memory. We all have blessings of our elders and a bright future awaits us. It has been an honour being your SPL, batchmate, classmate and a friend. This is me Saranya signing off until we meet again. Thank you.
